

EU Data Act Notice

Product Type and related services: UV Printer and related services

Product Number: V8260

1. Introduction

This notice is provided in compliance with Regulation (EU) 2023/2854 on harmonised rules on fair access to and use of data (the "Data Act"), which aims to ensure fair access to and use of data generated by users of connected products and related services. As your trusted provider, Anker is committed to transparency and empowering you with control over your data.

Kindly remind that this notice only applies to data covered by the Data Act. For information regarding the processing of personal information, please refer to our Privacy Policy. To the extent permitted by Data Act, we are unable to provide access to data that contains confidential data, trade secrets, intellectual property, or other proprietary information.

3. Your Data Access Rights

You, as a user of our products or services, have the right to access the data generated through your use of our devices or platforms. This data will be provided in a clear, concise, and easily understandable format, as required by Data Act.

To exercise your right to access this data, simply submit a written request by contacting: support@anker.com or DPO@anker.com. We will respond promptly and provide the data in an intelligible form.

4. Your Other Rights

Data Act may give you a number of legal rights in relation to the Connected Product data and Related Service data. You can submit data access requests and share data with third parties through the contact information specified in this notice.

If you would like to exercise your rights in relation to the personal data that we hold about you, please contact us using the details set out in the privacy notice applicable to your product. For more detailed information about data use and access, please refer to the Terms of Use, electronic manuals, or other relevant materials.

As a user, you have the right to lodge a complaint if you believe that any of your rights under the Data Act have been infringed. This right ensures that your concerns regarding potential violations of data access, sharing, or usage provisions are heard and appropriately addressed by the responsible oversight body. If you wish to exercise this right or require further assistance, please contact the relevant authority in your

Member State.

5. Contact Information

If you have any questions about this notice or your data rights, please reach out to our Data Protection Officer at support@anker.com or DPO@anker.com.
